\$PAW is the Governance token for PET-Universe in Cardano. The purpose is to distribute this token to all the PET-Lovers in the Community, bringing to them the paw fingerprints of our loved furry frens. 50% of the total supply (250M of \$PAW) will be distributed to [PET♥] pool Delegators and holders of specific partner NFT-projects.

\$PAW distributions started in December 2022, with the first Airdrop to Delegators and also distributing small amounts to Everyone in AdaSeal and Tosidrop.

- 1- **Stake pool distributions 150,000,000 (30%)**: **\$PAW** token will be distributed to [PET♥] pool Delegators. % could vary according staking and/or number of delegators.
- 2- **NFT Staking 100,000,000 (20%)**: Holders of specific NFT collections will be able to claim **\$PAW** tokens every epochs. Projects will be announced in next tokenomic updates.
- 3- **Rewards and Giveaways 50,000,000 (10%)**: **\$PAW** token will be used to gift the winners of the different [PET♥] pool events and contests in Twitter, Discord and other platforms.
- 4- **PetLoverStake pool reserve 100,000,000 (20%)**: [PET♥] pool Team will hold a percentage of **\$PAW** supply for future developments.
- 5- **DEX Farming and Liquidy 80,000,000 (16%)**: Users can swap **\$PAW** tokens in Minswap platform via the pair **\$ADA/\$PAW**: <https://app.minswap.org/swap>
- 6- **Others 20,000,000 (4%)**: **\$PAW** tokens will also be used to support partner projects, third party collaborations, promotions etc.
